## Job description

Polypharma Technologies & Sciences GmbH

## Industrial Pharmacist/ Chemist (m/f/d) For Production Monitoring

**MENA, East- and West Africa, immediately effective**

We have been advising and assisting companies throughout the MENA region, East and West Africa in the production of generic drugs for 30 years. We support pharmaceutical companies, distributors and investors with our expertise and supply of high-quality raw materials for the production of generics. The success of our company is based on solution orientation, innovation and the know-how of our employees.

We are actively seeking an

## Industrial Pharmacist / Chemist (m/f/d) For Production Monitoring
